STUDENT ECO CLUB
National Pedagogical University of Uzbekistan named after Nizami

1. General Information
Name: Student Eco Club
Year established: 2025
Institution: National Pedagogical University of Uzbekistan named after Nizami (NPUU)
Address: Tashkent, Uzbekistan
Email: studentecoclub@npuu.uz
Website: npuu.uz

2. Mission
The Student Eco Club operates to foster a culture of environmental responsibility and sustainable development among NPUU students, and to make a practical contribution to transforming the university into a green campus.

3. Goals and Objectives
Main goal: To engage students as active participants in sustainable development, climate action, and environmental protection.

- Raise environmental knowledge and awareness
- Support sustainability initiatives on campus
- Organise events related to the UN Sustainable Development Goals (SDGs)
- Build partnerships with local and international environmental organisations
- Encourage young environmental researchers

4. Areas of Activity

4.1. Environmental Campaigns
- Tree and plant planting drives
- Clean-up campaigns on campus and surrounding areas
- Promoting a culture of waste recycling and reduction
- Monitoring water and energy consumption

4.2. Education and Awareness
- Lectures and seminars on sustainable development
- Environmental film screenings and exhibitions
- Awareness campaigns on social media
- Environmental education programmes for school pupils

4.3. Research

- Studies on the environmental conditions of the campus
- Development of sustainability projects
- Preparation of academic articles and reports

4.4. Partnerships

- Engagement with international environmental organisations
- Exchange of experience with eco-clubs at other universities
- Joint events with state environmental authorities

5. Membership

Any student, master's or doctoral student at NPUU is welcome to join the Club. Membership is voluntary and free of charge.

How to join:
